Tips
Make your pictures clickable by typing in an external Picture Link or by clicking Page to link to another page on your own web site.
Add Paragraph Links by clicking the Add Link button. Added links are listed below the button and can be removed by clicking the small trash icon next to each link. Click on the small arrows to change the order of the links.
Click Preview to see a preview of the paragraph in a separate browser window.
Click on the Delete button if you wish to delete this paragraph. You will be asked for confirmation before anything is deleted!
Click on the Move button if you wish to move this paragraph to a new location within the web site.
